HOW?
HOW?
HOW?
WALKING IN HIS WILL
GO WHERE GOD LEADS
WHAT IS LEADERSHIP?

- Leadership is a group phenomenon. At least 2 people must be involved – a leader must be leading someone!
- Leadership usually involves intentional influence.
- Development of leadership takes time. It is an interactive process that is influenced by life and work experiences - it is a journey!
A leader is any individual who influences others. Leaders empower, encourage, and support others in a shared effort to achieve goals or create change. Leaders can be found in a variety of positions. God can use anyone to lead!
Love – be passionate about your work

Engage – care for and motivate others

Accountable – be responsible for your actions

Do It – Implement the plan, persevere
“Where there is no vision the people will perish”. Proverbs 29:18

Understand what drives you and be willing to give it your all. Be all in, 100%.

Steps to living your passion:
- Look around and see where God is working
- Identify the resources you’ll need
- Get started
- Allow the passion to keep you energized

Dan Sandweiss
So encourage each other and build each other up. I Thessalonians 5:11.

She who thinks she’s leading, but has no followers is simply taking a lonely walk.

Without engaged followers, a leader is unable to accomplish results on any significant scale.

Leaders empower, encourage, and support others in a shared effort to achieve goals or create change.

Leaders motivate others to connect to their passion.
ACCOUNTABILITY

- Iron sharpens iron, and one man sharpens another. Proverbs 27:17
- Have a plan, a short-term and long-term plan.
- Be clear on what you want others to do.
- Set the example.
- Promote self-reflection and self-assessment.
- Take responsibility for mistakes.
- Assessment should be on-going. Findings should impact change.
But someone will say, “You have faith and I have works.” Show me your faith apart from your works, and I will show you my faith by my works. James 2:18

“For God has not given you a spirit of fear, but of love, power, and a sound mind”. II Timothy 1:7

According to Galatians 6:9 we cannot become weary in doing good for we must believe that we will reap the benefits
Love — What’s Your Passion?
Engage — How can you motivate others?
Accountable — What’s your plan?
Do It — What will it take for you to act now?
